Silpakorn University

International Journal is published in January and June by Silpakorn University. The journal features articles and research notes/articles in the fields of Art and Design, Science and Technology, and the Social Sciences and Humanities. Its aim is to encourage and disseminate scholarly contributions by the University's faculty members and researchers. Well researched, innovative works by other scholars are welcome. A review committee consisting of academic experts in the relevant fields will screen all manuscripts, and the editorial board reserves the right to recommend revision/alteration, if necessary, before their final acceptance for publication.
